

¡VALE! ESPAÑA

TAKE YOUR FAMILY ON AN UNFORGETTABLE TWO-WEEK LANGUAGE & CULTURAL EXCHANGE PROGRAM IN MADRID & GRANADA, SPAIN!

SUMMER 2016 | JULY 17 – JULY 30

This summer your family can join FamilyGo (experts in educational family travel) and inlingua (one of the world's leading language schools) for an enriching Spanish language program steeped in the beauty of central and southern Spain. Over the course of two weeks, your family will have an opportunity to hone your Spanish language skills, be immersed in the culture and live like locals.

Our FamilyGo educational team will provide a combination of in-classroom instruction and experiential learning via trips to special landmarks around Madrid and Granada. Children will participate in fun summer camp activities and have a unique opportunity to engage in an intercultural exchange with local Spanish students at inlingua's DOTS learning

center. Parents are also welcome to take optional language courses at their adult center, which is within walking distance to the children's facility. Afternoon and evening excursions will provide an opportunity for the entire family to practice using their language skills out in the local environment.

The most effective way to learn a language is to live it! With each family comfortably accommodated in a two bedroom flat in the center of the city, there will be ample opportunity to explore the beautiful city of Granada and settle into local life. Our staff will also facilitate "Parent's Night Out" events and "Kid's Only" excursions to allow parents some restful down time. In just two weeks your family will make memories that will last a lifetime!
