Remember the good ol' days when your parents used to send you off to summer camp? Songs were sung, games were played, adventures were had, and you made unforgettable friendships and memories to last a lifetime. This year, FamilyGo is making sure that all ages get to experience that summertime bliss during our epic Labor Day Weekend Family Camp Out! Bring your kids and invite your friends to join us at a private camp located within 2 hours drive of Los Angeles.

Our experienced FamilyGo Camp counselors will engage your youngin' with daily activities like Gaga ball, Human Foosbal, sports, nature hikes, arts, crafts and more! Bunk with your family and friends in a cozy shared cabin, replete with full bathroom and shower facilities. If you prefer your privacy you can pitch your own tent. All meals will be prepared by onsite chefs and are sure to please the palate. In the evenings, we will gather round the campfire to sing our hearts out and tell bedtime stories. On night two, our counselors will host a kids-only "Parents Night Off" where your kiddos can join us for movie night and a sleepover in the upper youth lounge. Don't miss out on this special opportunity to say your final goodbyes to summer and hello to great family fun and memories that will never fade.
